Meanwhile, he's one of the first EIMC team members to routinely engage and utilize Engle Martin's field adjusting capabilities. In doing so, he's provided effective cross-training in marine STP considerations and built a great base for future integration of our teams.”

### ➤ How has this Team Member inspired you?

- “Grant, a newcomer to our team, joined EIMC just under a year ago when the acquisition was announced. He took the initiative to engage with the Engle Martin family, and his positive attitude has been infectious.”
